

Clinton Presidential Library

1200 President Clinton Avenue
Little Rock, AR 72201

Inventory for FOIA Request 2017-0509-F

Photographs of Steve Jobs

Extent

1,390 photographs in color and black & white film processed from 35mm.

Access

Collection is open to all researchers. Access to Clinton Presidential Records is governed by the Presidential Records Act (PRA) (44 U.S.C. Chapter 22, as amended) and the Freedom of Information Act (FOIA) (5 U.S.C. 552, as amended) and therefore records may be restricted in whole or in part in accordance with legal exemptions.

Copyright

Documents in this collection that were prepared by officials of the United States government as part of their official duties are in the public domain. Researchers are advised to consult the copyright law of the United States (17 U.S.C. Chapter 1) which governs the making of photocopies or other reproductions of copyrighted material.

Provenance

Official records of William Jefferson Clinton's presidency are housed at the Clinton Presidential Library and administered by the National Archives and Records Administration (NARA) under the provisions of the Presidential Records Act (PRA).

Processed by

Staff Archivist, 2017.

Scope and Content

The materials in FOIA 2017-0509-F are a selective body of documents responsive to the topic of the FOIA. Researchers should consult the archivist about related material.

FOIA request 2017-0509-F contains photographs of Steve Jobs from the Clinton Administration. Steve Jobs is co-founder of Apple Inc. The events include the State Dinner for President Oscar Luigi Scalfaro of Italy on April 2, 1996, the State Dinner for President Jiang Zemin of China on October 29, 1997, and at a photo-op in the White House on November 9, 1998.

System of Arrangement

Records that were responsive to this FOIA request were found in one collection area and one series—Clinton Presidential Records: Photographs of the White House Photograph Office and the series therein—Photographs Relating to the Clinton Administration. Processing is done at the Folder/Contact sheet level. While this method maintains folder/contact sheet integrity, it frequently results in the incidental processing of photographs that are not wholly responsive to the subject area.

Some images responsive to this case were also previously processed in FOIA case # 2009-0035-F.

The following is a list of photograph contact sheets/folders processed in response to FOIA 2017-0510-F:

Clinton Presidential Records: Photographs of the White House Photograph Office

Series: Photographs Relating to the Clinton Administration

Photograph Contact Sheet:
